Mid Oreti Catchment Work Awarded

Rosie and Ainsley receiving Environment Southland Commended Award

Mid Oreti Catchment Group Leaders Ainsley Adams, Rosie Forbes and Fiona Smith won a highly commended award for Environmental Action in the Community at the Environment Southland Community Awards 2021. This was fantastic recognition for this young Catchment Group who want to work with their local community to connect, educate, inspire and support them to be well informed, and make great decisions to look after their, land, water and people.

They are planning a meeting in Winton next year to look at the future projects and direction for the Catchment Group. Please contact them via their Facebook page (<https://www.facebook.com/Mid-Oreti-Catchment-Group>) or email midoreticatchment@gmail.com if you would like to come along. They would love to find a few more people to join their Committee, and work on projects they really care about in Winton and its surrounds.

All the nominees in this year's Environment Southland Community Awards were outstanding, and videos of all the nominees talking about their projects are available online at www.es.govt.nz

A poster for a Christmas Market. It features a green circle with the text 'Christmas MARKET' and 'BROWNS PAVILION Wed, 8th Dec 7-10pm'. There are images of wrapped gifts, pinecones, and a small Santa hat. The Hokonui Women's Network logo is at the bottom right.

Shout out and Celebrations at Hospice

Jocelyn cutting her birthday cake at a surprise morning tea.

Recently we had a lovely celebration for Jocelyn's 80th birthday. We put on a surprise morning tea for her along with flowers and a gift. You wouldn't think that she is 80 as she still so active and puts some of the younger ones to shame. Jocelyn's specialist job here at the store is doing the wool. Unwinding jumpers that aren't quite good enough to sell then washing the wool and rewinding it, a lot of the time while salmon fishing.

“Also we would love to thank our very generous donors throughout the year for your support.

I would like to also thank our customers for their support and my amazing team of volunteers.”

Without you all we couldn't do what we do for Hospice Southland.

Have a great Christmas and a very happy New Year

Walking Group travels fortnightly

While Riverton is sometimes called the “Riviera of the South”, Bluff too has a beauty and charm of its own. On 11th November, 26 members of the walking group alighted at Stirling Point and set off on the Glory track. Sunshine, stunning sea views, native bush with plentiful bird life made for a great walk. After visiting the moving memorial to those who lost their lives when the Stewart Island flight went down in Foveaux Straight, we returned to picnic lunch in the little reserve before returning to home base. Our Dunsdale trip on the 25th was a three stage offering. After walking through the rural landscape complete with friendly calves, we bussed through the pine plantation to reach the picnic spot. Courtesy of Christine, we had a glimpse of the history of the area and viewed the plaque commemorating Rangī Sands who had led a hermit-like life in the Hokonui Hills. The highlight of the day was our stage 3; the track which wound through the beautiful bush beside the Dunsdale stream, complete with waterfall. If you would like to join us on our fortnightly walks please contact Helen 236-8698.

Have a great Christmas and a very happy New Year

Community Support Update

Do you have a child starting High School next year?

Do you need some financial help in purchasing your Year 9 school uniform? The JR McKenzie Trust have a proud tradition of supporting families in need. As such, they are currently inviting applications from suitable candidates. The grant must be used for the purchase of basic school clothing and footwear only. Contact me asap on 236-9934 for a copy of the application form. Applications close on December 10.

Thanks, from the Let's Link Committee

On behalf of the committee, I would like to thank this amazing community for all the support, donations, and time that has been given or offered throughout the last 12 months. To our volunteer drivers who have selflessly given their time to transport people to many varying appointments both here in Winton, Invercargill and even further afield; a huge thanks to you all. To the many people who have donated both non perishable food and also meat to the Let's Link Winton food bank, again a huge thanks. Our food bank runs completely independently from any outside help and the generosity of this community keeps the shelves and freezer stocked so that when the need arises, we are able to assist.

Thanks, must also go to our 'odd job' man who is so capable with assisting any little 'odd job' that crops up.

Thanks, from the team at Winton Community Support

As the year draws to a close, the Winton Community Support team would also like to take this opportunity to thank this wonderful community for all the help, donations and support that has been offered throughout this difficult year. I would like to think that 2022 will bring renewed hope and positive vibes within our community however I'm not fully convinced of this especially with Covid creeping that bit closer to our region. To those people who have dropped in vouchers, food, Christmas treats, toys and offers of time, thank you to you all. These donations help many people not only get through the Christmas period but also through the rest of the year. Thank you to those of you who have donated firewood through the year also, this is so appreciated by those who receive it. Apologies for the workshops that had to be cancelled during the year, these were unfortunately beyond our control; it is hoped that I will re arrange these early in the new year, keep an eye out. **Wishing you all a very happy and safe Christmas, enjoy your down time, rest up and recharge for 2022. My office will be closed from 24th December until mid-January.**
