Winton Firefighters Remembrance for 9/11

The 11th of September 2021 will mark 20 years since the terrorist attack in America that took the lives of 343 fire fighters and many more innocent people.

Guy Johnstone and Steve Turton from the Winton Volunteer Fire Brigade are taking part in a 9/11 memorial climb at Auckland's Sky Tower where they will climb the 60 story tower twice (approx the size of the world trade centre) to commemorate the fallen fire fighters. It's not a memorial climb just for the 343 fallen fire fighters in America, we are also remembering our own 66 firefighters who have sadly died in the line of duty.

This is not a fundraiser, nor a race, it's about paying our respects to our greater fire fighter family. It is the first time we've both chosen to take part in this event and being the 20th Anniversary it'll be a real eye opener. Part of the registration we had to choose a fallen fire fighter to climb for. Seeing their picture and reading about them was actually a wee bit emotional and it became very real.

Happenings within the Senior Citizens Group

Thirty-three of our members enjoyed our annual mid-winter lunch at the Winton Lifestyle Complex. For the first time we had it catered and Jenny Paterson treated us to a lovely menu. Ham or chicken (or both), a huge assortment of seasonal vegetables, gourmet potatoes and an array of condiments and gravy, followed by a choice of plum pudding with custard and cream or pavlova, fruit salad and cream. Those who attended very much enjoyed their lunch and look forward to the next one.

We are hoping to arrange a bus trip in the coming months, plans are currently being made and destinations being explored.

If you would like to join us and enjoy the many activities (Cards, indoor bowls, Housie, concerts, outings and company) of the Senior Citizens group call Mary for more information. We would love to have you!

Our clubrooms are available for hire. They are available most mornings, evenings and the odd afternoon. Contact Mary Hishon on 020 410-815-43 for more details. Very reasonable rates.

Wednesday 18 Aug, Disability Resource Centre will be visiting

our clubrooms on John Street with an assortment of the daily aids, walkers, sticks, easy reaches and other things that make daily living that little bit easier. Please come along 1.45-3pm to view or talk to their helpful and knowledgeable staff

Malcolm Walker (QSM)

Malcolm with Benson, 7th, and Lucia Boys, 2nd, at Southland Cross Country. Two of the 25 competitors from his 91 strong trainingsquad.

From the first day in 1976, when Malcolm pulled up at Winton School in his hot little Triumph Spitfire, his passion for kids has been front and centre. That passion has been recognised in his Queens Service Medal for services to sport and education.

In his forty years of teaching, almost exclusively in Central Southland, including 23 years as principal of Limehills School, he chaired both the Regional Principals' Sub Committee, and sat on numerous education committees, And yes.. it's all about the kids.

Malcolm's commitment to sport is the stuff of legends: coaching school children's cricket for over 20 years, organising many and varied sports teams, sitting on the Southland Primary Schools Athletics Committee, being a foundation member of the Central Southland Squash Club and driving many local fundraising projects. And it's almost always about the kids, although Malcolm has managed to make time to represent NZ in Masters Cricket and in earlier days was known to enter enthusiastically into community capers such as Jaycee Cricket.

After retiring, Malcolm, not surprisingly, "missed the kids" and has taken on a new role working with kids from Winton, Limehills, Dipton and Takitimu. Malcolm has the Midas touch; he finds gold in every kid. He is inclusive, inspirational, extremely supportive, and absolutely revels in the many and varied successes and growth of the kids.

What Now? Well more of the same of course, but, never one to rest in his laurels, Malcolm has just confirmed that early next year, two Australian state side teams are coming to Southland to play Golden Oldies Cricket. Then he's heavily involved in the Southland World Shearing, there's DOC work, Real Journeys and fundraising. And of course those kids! "There's so many wonderful kids in our community."

Hospice Southland Shop, Winton

On June the 21st we held a special morning tea to thank all my amazing volunteers of the Winton Hospice Shop.

You all make the shop the great place it is and make it look amazing. As a manager I couldn't ask for a better bunch for people to work with. Thank you for all your hard work and dedication. YOU ROCK!

Looking after our pets

Do you notice the cold? Some days your joints are a bit sorer, maybe you chuck an extra layer on... what about an extra woollen blanket on the bed? Well the chances are if you are feeling the cold, your pet is too.

As our pets age, they become a little more sensitive to the changes in the seasons and in winter, they need a little more attention.

Our staff have some great suggestions to keep your furry friend comfortable in the cold:

- Jackets offer an extra layer of comfort when the temperatures drop. We have lots of different options to choose from these days. Dogs with short coats can feel the cold more!
- Exercise might be hard to get motivated for when the days are so short, but keeping active ensures your pets' joints keep mobile.
- A comfy bed; whether you pop an old woollen blanket down or grab a memory foam pad means your pet can sleep comfortably (and keep warm!)
- Keeping hydrated! Pet's skin can dry out in the cold so it's great to keep the water bowl topped up and another one in the car after a walk.

If you notice your pet starting to struggle, give the clinic a call. Our staff can help you work out if your pet needs a little extra support during the colder months. Good news – we are way past the shortest day, the nights are getting longer, so the road to spring and summer is on the way!

Community Support Update

I've had a busy but interrupted month; a few unplanned days away from the office, a number of internet problems and my office has been painted which meant moving out and back in again. Hats off to the painters though, as they have managed to paint the whole inside of the building and create little to no interruptions with most of the work happening at night time. Kudos to Moore painting!
