New vibe in Middle Pub

The Middle has a long proud history, 28 years of it under local 'Celebs' Chub and Nancy. New owner Andy, brought the pub in 2019, and in November last year, decided to give the Middle a new vibe while retaining its Heritage and links with the past. His aim was to make it fresh and modern, and a family friendly environment, where traditionally it has been more of a tavern.

Four months later, after hiring New York based designer, Natalie Kean, and project managing the whole exterior and interior renovations along with manager, Vipin Pundir, the \$500,000 project is completed.

With 1,000 litres of paint (in sharp black and white), new carpets and furnishings, new beer garden and outdoor area called the Green House, complete with a slide for the little ones/kids.

The Middle is indeed 'new.' But Chub's Bar remains, with boards capturing key historical details (and the toilets doors have caricatures of Chub and Nancy!).
