Winton volunteer Peter King receives Community Service Award

Southland District Mayor Gary Tong presents the Community Service Award to Peter King, with Mrs Laureen King.

Long-serving Winton community volunteer Peter King has been honoured for many years of service to his community.

Mr King received a Community Service Award from the Oreti Community Board and Southland District Council at a ceremony at Winton's Middle Pub on Friday 10 June.

Southland District Mayor Gary Tong made the presentation to Mr King, with flowers for his wife Laureen, at a ceremony led by Oreti Community Board deputy chair Peter Schmidt.

Mr King has been a member of Winton Rotary for around 40 years and has played a leading role in many Rotary projects in the area.

One outstanding project was the Winton Trail. Since its completion around seven years ago, Mr King took on the responsibility of weed spraying the entire circuit. His normal routine was to walk the track early in the day to find spots that needed attention, then pick a calm period to do the spraying. His efforts kept the trail in great condition to be enjoyed by thousands of walkers and cyclists.

Mr King has also voluntarily contributed much to planting and pruning, particularly at Moores Reserve, where he has nurtured hundreds of native trees and shrubs for the benefit of the public and Winton's beautification.

At a sprightly 87 years old, Mr King has recently retired from carrying the heavy sprayer around the trail but remains available for light voluntary work.

Winton Walk Group visit Te Anau

Our annual overnighter was held in Te Anau this year on 7th – 8th April 2022.

Fourteen walkers left Winton at 8.30am in a mini bus and one private vehicle. Because of Covid our numbers were smaller than usual.

First stop Mossburn for a toilet stop then on to the Control Gates at Te Anau where we had morning tea before setting off on our first walk.

From the Control Gates to Dock Bay through the lovely bush with loads of bird life, then out onto the beach for a photo shoot before returning back to the Control Gates for lunch in the sun.

We then travelled back into Te Anau where we had a walk around a new subdivision seeing lovely new homes and gardens.

At Luxmore Hotel we were given deluxe rooms and then had time to ourselves to wander around the town.

Later on we all met in one room for drinks, nibbles and some very social time, lots of laughs, and even learnt some early morning exercises!

Dinner at the restaurant was outstanding and next morning we all met for a buffet breakfast at 8.30am and what a breakfast it was!

We then packed the vehicles and left for another walk from the Hotel along the lakefront to the Bird Sanctuary where we spent time looking at all the birds and reading about their breeding programme. We continued on the walk track around to a picnic spot where we were picked up for our return home. At Mossburn we had lunch, very nice food and plenty to choose from, before travelling back to Winton by 2.30pm

Winton Wasterwater Treatment Proposed Upgrade

The Winton wastewater treatment plant will require a new consent in 2023.

Currently, the wastewater plant disposes of treated wastewater to the Winton Stream. However, due to environmental, cultural and regulatory factors it is highly unlikely that this scheme will be allowed to continue when consent for the plant expires in 2023.

Southland District Council is exploring options for the proposed upgrade of the wastewater system.

Council staff will be hosting a community drop-in session to be held on Monday 25 July.

The drop-in session is open from 2pm to 6pm at the Winton Memorial Hall Supper Room. Pop in and review the options being considered for Winton and future planning for Centre Bush, Limehills and Browns.

From 14 July further information will be available at www.makeitstick.nz/winton-wastewater and we encourage you to visit this site to find out more information about the options being explored and to provide feedback.
