Open Day Drive-a-Digger

This was a huge hit, especially with the kids (and getting them off was a challenge!). No charge with donations only, which were given to Forever Homes.

Irwin Motors and Hire & Go gave approximately 80 people the opportunity to drive a digger and check out their ability to pluck a duck out of the pond and test their skills with a swing ball and a rugby ball. Lots of giveaways were kindly donated by Allied Petroleum and Irwin Motors.

Blair and Robin would like to thank their digger driving instructors Andy Reid and Mervyn Guise for their invaluable help and also Rory and Sarah Officer for providing the fencing.

Patchwork Exhibition

We would also like to thank our wonderful merchants for their support; Quirky Stitch, Sewing With Passion, Pam Eade, Heather Greaves, Inverquills and Beth Linklater.

The 'Brown' and 'Lines' challenges proved to be popular so we will look at having the new challenges at our next exhibition - Labour weekend 2023!

The raffle winners were:

I Spy quilt
- Jennifer Shaw

Hamper
- Linda Flawn

Hamper
- Doreen Guild

Congratulations to all the winners.

The winner of the Viewer's Choice was Gretchen Wilson with her fabulous quilt "We Will Remember Them".

The Otautau Patchwork Group would like to thank everyone who came along and supported their exhibition at Labour Weekend. We hope you enjoyed your visit and were able to do some shopping with our merchants and enjoy a cuppa and a chat with friends.

Lochiel School Fundraiser

Lochiel School Network Presents
EMMA NAHNA

Saturday, March 25, 2023

Emma is a literacy-focused speech-language therapist with a passion for sharing learning with others. She is an incredible public speaker, focused on supporting others to understand and embed evidence-informed, effective literacy and oral language teaching for all students. Emma has worked overseas and all-around New Zealand – but this is her first trip to Southland!

SESSION 1: 9 AM TO 10 AM

The day kicks off from 9-10 with a 1-hour parent focused session, where Emma will discuss the basics and benefits of a Structured Literacy approach. This session is strongly recommended for parents of children attending a structured literacy school, as well as parents with a child who may be struggling with learning to read and spell. This hour costs \$25 and is sure to support you in understanding how the brain learns to read and what teaching strategies best support that process.

Register here: <https://bit.ly/Invercargill-March-2023-Parents>

SESSION 2: 10:30 AM TO 4 PM

There will then be an in-depth professional development session available to everyone, parents and educators alike. Emma will walk us through 'sound walls' – what one is, and how to use one. Emma will discuss phonological awareness, and how to teach spelling patterns to support reading and writing in a Structured Literacy approach. This sessions costs \$150 and will be engaging, informational, and practical.

Register here: <https://bit.ly/Invercargill-March-2023-Sound-Walls>

Emma has noted there isn't a lot of cross-over between the two events – so if you're super keen, you are welcome to attend both! This is a great way to support a local school, and a really exciting learning opportunity for the region.

Please contact Lochiel.school.network@gmail.com with any questions.

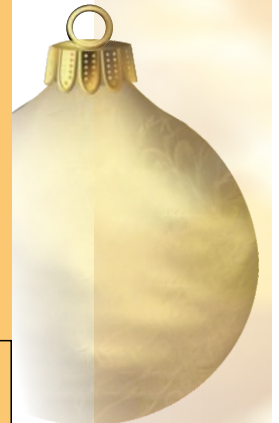

The Winton Outlook will take a break end of December, so the next edition will be February 2023. Send us your holiday snaps. winton.nz@outlook.com.

Have your say

I would like to thank the community for their support in the recent local body elections. It is my privilege to advocate for our area as member of the Oreti Community Board.

Democracy, especially local democracy, is only as good as we make it. Your silence will be taken as agreement. So, it's worthwhile keeping track of legislation coming through to your council. The most recent has been the draft report - "Review into the Future of Local Government".

Look up a summary of the report here:

<https://www.futureforlocalgovernment.govt.nz/assets/Review-into-the-Future-for-Local-Govt-Draft-Report-Executive-Summary.pdf>

This report makes 29 recommendations such as changing to STV (Single transferable voting system), creating a climate change fund, 4-year term, co-governance, lowering the voting age to 16 (now debated at parliament after Supreme Court ruling), Treaty-related provisions including capability-based and mana whenua appointments to supplement elected members.

Legislative changes will fundamentally impact on the operations of almost all local authorities and have the potential to change almost everything except the existence of some form of local government. Any idea that you may have had that local council is about rates for water, roads and rubbish is about to change.

Council needs to hear from you to include your views in its submission on the draft before the end of February 2023.

Have a very joyful Christmas and a relaxing Summer Break.

Share your thoughts and opinions

We would love to hear your views on our upcoming bylaw and policy reviews.

As a council we are required to review our bylaws and policies on a regular basis to ensure that they are still necessary and relevant, and that they meet our legal obligations.

Over the next six months the following policies and bylaws will be reviewed and formally consulted on:

- Roading Bylaw
- Use of Unmanned Aerial Vehicles (Drones) Policy
- Dangerous, Affected and Insanitary Buildings Policy
- Proposed consolidated Public Places Bylaw
- Easter Sunday Shop Trading Policy
- Smoke Free Open Spaces Policy

To help shape our approach for formal consultation at a later date, we'd appreciate hearing from you to get some early comments and insights on these policies and bylaws.

Visit www.makeitstick.nz to read more about each of these policies and bylaws and to leave your comments. We will be collecting comments until 31 January 2023.

Thanks!

On behalf of the Winton Community Support committee, I would just like to wish the Central Southland community a very merry Christmas and a safe, happy and healthy New Year.

Also, a massive thank you to all the people who have contributed in any way throughout the year; donated goods, money, food, toys, bedding and time to help us make our community a better place to live and to help those who are finding life a little more challenging at these difficult times

To the Community Garden volunteers, the hours of work and dedication you guys (and gals) put into producing amazing produce for our families is a credit to you all. Thank you on behalf of anyone who benefits from your hard graft!

To the Let's link volunteers a big thanks for all the time and effort that goes into running our local food bank and odd job service, also to the volunteer drivers who transport many many people to various appointments both here in Winton and also further afield, your generosity of time is, I'm sure unmatched anywhere. Thank you to all of you!

The Winton Community Support office will be closed from Christmas eve through to mid-January.
