

Winton Primary School children getting active around Southland

Central Schools which include Dipton, Limehills, St Thomas, Hillside, Drummond, Winton, Heddon Bush, Lochiel, Hedgehope, Wallacetown and Waianiwa have been busy this term with a hockey tournament, cross country and competing at the Central Cup.

To end a fabulous season of Year 1-5 hockey in Central Southland, the teams headed to the Invercargill hockey turf for a fun tournament recently. It was great to see the smiling faces and hockey skills on show from the players who came from 9 schools around Central Southland.

Congratulations to Dipton School who won both sections. Special thanks to the fabulous volunteer coaches and umpires who have made the season a success.

Check out their Facebook page 'Central Southland Junior Hockey' if you would like to know more information and updates.

On a sunny but chilly day at Dipton, around 280 children competed in the Central Cross Country with the top six runners aged 10-13 years going through to Southland Cross Country held at Waimumu.

Winton Primary School had success with Ferguson Hammond coming in 1st in the '13 year old boys' age group, Jonty Scott coming in 2nd in the '11 year old boys' age group and Charlotte Glover coming in 3rd in the '10 year old girls' age group. All the children ran well and it was a great day out.

Every year all the primary schools travel into Stadium Southland and have a go at Basketball, Football, Netball and Volleyball for the Central Cup. It is a great day out and everyone has fun trying new sports. It is always great to hear of students who take up these new sports after this event.
