## Local firefighters Guy & Steve walk for 'I am Hope' - Gumboot Friday

At the start of November two of our firefighters, Guy Johnstone and Steve Turton walked from Bluff to Queenstown to raise funds for the initiative 'I am Hope' supporting Gumboot Friday, which was founded by mental health advocate Mike King. Gumboot Friday raises funds to provide free kids counselling in a timely manner.

These two legends walked the 214km over five days which is the equivalent of a marathon a day. It was great to see the support they got along the way as they went through towns and along highways. I know this support helped and encouraged them to keep going. They were both very moved by a haka that was performed for them by local school children.

Guy and Steve stayed at different fire stations each night along the way, they remained positive and jovial throughout their entire walk, laughing about the blisters and sore feet. This mindset is what got them there. This epic journey could not have happened without the help of certain people. Kerrian Simpson from Traffic Management Services Ltd and Richard Mckay from Numnut Audio were instrumental in this being a success, along with all the other incredible sponsors. The Winton Fire Brigade are proud and lucky to have Guy and Steve as members, their dedication to this cause is inspirational. They raised a total of \$16,242.20 which is a phenomenal effort.

On behalf of the Winton Volunteer Fire Brigade we would like to say how much of a success Winton Open Day was. It was great to see families out and about enjoying the sunshine and festivities. In regards to our display, we are always happy to show our skills and how we work in with other emergency services.

See you all for 'Toot for Tucker' on Friday 8th of December starting at 7pm. Another great cause so the Winton Food Bank can be stocked up for Christmas. The Winton Fire Brigade, Police, St John and the Winton Lions Club will be visiting the streets collecting items for the Winton Food Bank.

**Friday 8th December from 7pm**

You will hear our sirens and see our flashing lights, As we go around Winton collecting for our Foodbank.

All you need to do is share an item of food (non Perishable) and leave it by your mailbox, give to the collectors, or drop it off to Winton Farmlands, Farm Source, PGG Wrightson stores anytime

Helps us, so we can all enjoy our Christmas. Thank you so much for sharing.

## Winton Open Day a massive success

A huge thank you to all who contributed to the Winton Open Day event. It was such a fantastic day for all, supported by our amazing Winton Business community, Service Groups (Fire & Police) stall holders, food trucks, parade participants, musicians, entertainers and everyone who embraced the day to showcase our town.

Thank you to the committee who did a great job organising and attracting big crowds to the Open Day. Take care over the upcoming festive season.

**Winton Business Association**

The 'silly season' is upon us, where normal law-abiding citizens eat, drink, spend too much and rush about trying to get all those jobs done before the holidays start. The silly season resulted in at least 3 fatal crashes in our patch last year, we ask that you abide by a few simple rules to ensure we all make it to the big day in one piece. Please watch your speeding, wear your seatbelt and do not drink drive.

If you are planning or attending a Christmas function with friends, family or employees please ensure the first thing added to the list is a safe way home if you intend to drink. Police will be out in force leading up to Christmas and a disqualification, fine or worse is not something you want from Santa this year.

Winton has seen a couple of high-profile break ins on the main Street, and I am pleased to say the offenders have been identified and are being dealt with by our Youth Services team in Invercargill. I ask everyone to be vigilant about their security, especially around vehicles as we still have a number parked up the drive with keys left in them. On the parking front, several residents may have recently found a letter attached to their cars from Police as we attempt to tidy up some of the illegal parking in Winton. This follows several complaints from pedestrians and residents. Please be mindful to park the right way on the street and not block the footpath.

Lastly a special thank you to our community members, business owners and volunteers who have supported the Winton Police throughout the year.

You are our eyes and ears, and your support is greatly appreciated.

## Annual Winton Lions IHC Golf Tournament

On Sunday the 5th of November, 17 teams competed in the Annual Winton Lions IHC Golf Tournament, enjoying their golf on a well-presented Winton Golf Course. Congratulations to the winners on the day, (from L-R) Matthew Sutton, Barney Cummins, Jason Ratima and Jade Ratima.

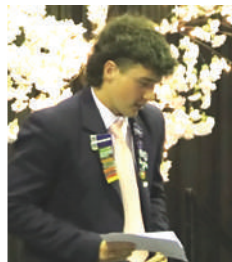

Also a huge congratulations to all those competing in aid of such a great cause, The Southland IHC - who advocates for the rights, inclusion and welfare of all people with intellectual disabilities. It supports them to live satisfying lives in the community.

Hats off to the organising Committee and all the helpers on the day, for making this day yet another success story.

The Committee would like to thank all the sponsors, who make it possible for our Lions Club to hold this event. We look forward to next years event.

### Lions Scholarship Award:

Congratulations to Rylan Cooper (Year 13) of Central Southland College, recipient of a \$2000 scholarship from the Lions Club of Winton at the Senior Prizegiving on the 1st of November.

## Winton Lions Club Update

It is important to us that we ensure all community members have access to nutritious foods. Lions Clubs throughout New Zealand work within our local communities to alleviate hunger and many clubs have formed partnerships with local community food banks and other services that provide help and assistance where it is most needed.

Some Lions Clubs run food banks and food drives such as the "Toot for Tucker". Club members bring non-perishable food items to dinner meetings and these are then forwarded to the local community food banks. Hampers for those most in need at Christmas is another Club project that many participate in too. If you want to help us fight hunger or if you have any ideas about how we can help our local community please get in touch with your local Lions Club, we'd love to hear from you.

In conjunction with the Winton Lions Club, St John Ambulance, Winton Fire Brigade and the local Police, we would like your support on Friday 8th December from 7pm. There will be some local businesses collecting food and non-perishable items, such as toilet paper, toothpaste, shampoo and toiletry products.

## Mid Oreti Spring Meeting & native plant monthly working bee

The Mid Oreti Catchment Group had a great spring meeting with new, past and current members. They heard all about the successful 2023 Westpac Watercare Project funding for plants and plant protectors for our Mini Forest Movement Project, and our new Mid Oreti Wetlands & Runoff Detainment Bund Project (Marshalling the Best!) that has just had funding approved through Thriving Southland. Applications were opened up for the next round of plant grants for the Mini Forest project.

The group donate plants to projects run by local schools and local community groups. Also they can supply the workforce to come along and help plant the plants alongside your school or community group.

If you live in the Mid Oreti Catchment Group area and have a project that you would love some native plants for, please get in touch!

The evenings are getting lighter and warmer for our monthly native plant nursery working bees, held on the first Tuesday of every month from 4pm to 7pm at the AB Lime Nursery, 10 Bend Road, Winton. Last month they did some weeding, potting up and cuttings. The group are happy to also run sessions at different times if you have a group that are keen. If you have any questions please contact:

## Top End Winton - Brand new Sushi business opens on our main street

Top End Winton had its opening on 8th of November. Owners Jay and Claire previously lived in Winton and thought it would be a great idea to bring Central Southland locals different flavours of Japan.

Their goal is simple - to serve tasty and healthy food using fresh ingredients made daily. Call in and check out what they have to offer, a variety including teriyaki chicken sushi, crispy chicken sushi, salmon sushi, chicken on rice, deep fried food and much more.

They went with a Japanese style cuisine because sushi is something a lot of people enjoy. They wanted to keep it familiar but with their own twist, with originally being from Korea.

Jay and Claire would appreciate any feedback from the Winton locals to make their food even better. Keep an eye out for delicious new menus and dishes, they are excited about the idea of bringing some Korean dishes to the table if the opportunity arises.

Opening Hours: Monday - Friday 10am - 4pm

Saturday - Sunday - Closed.
