

Winton Wide Garage Sales - 25 February 2024

Each year this event has grown and is a fun day for both sellers and buyers. The Winton Area Promotions (WAP) committee advertise this event widely around the Southland area and past years has seen cars bumper to bumper around the town.

Our committee produce a map showing all the individual sales and this is available to the public for a \$2 donation. These maps are available on the day (only) from outside the Winton School from 9am to 12noon. Any proceeds from the maps is used by the WAP group for community projects.

The Garage sales are advertised to start at 9am running until 2pm and we ask that all sellers adhere to the start time in fairness to all.

Country garage sales – We can advertise these on the map but would encourage those outside the radius of Browns, Centre Bush, Oreti and Lochiel from Winton to consider renting a space in the Drill Hall as we cannot guarantee people will travel further afield.

Cost: **\$15 Garage sale** (At your place)

A receipt, general instructions and balloons for the day will be **delivered to your mailbox during the day or evening of Friday 23rd February.**
