If you haven't already checked out our great website then jump online and view it today! The newly revamped version launched late last year and contains business and community information, events, photos, news and so much more.....

Content is updated on a regular basis so there is always something new to find.

A word from our local Police

Winter is here! Winton Police would like to remind drivers to take caution while driving on our roads.

With the changeable weather there is the danger of black ice being out there. Look out for shaded areas and be aware ice may not thaw during the day - Bridges could also stay slippery.

Frost can be more severe at daybreak when many are heading to work so ensure you are driving at a safe distance from the vehicle in front of you. You may need to reduce your speed and drive to the conditions.

On another subject of concern we have received several reports of vehicles overtaking, buses in particular, when the bus has slowed & indicating to take a right turn. Bus drivers are taking every precaution they can, but in a situation with poor visibility due to weather they may not see you in time. It is an accident waiting to happen and not something you want a bus load of school children witnessing.

Please remember the 20km rule when driving past a stationary school bus.

We will be looking at each report made to police. Dangerous driving could put face a court fine of \$3500 & a 1 year disqualification.

Take care on our roads. We want you to stay safe out there and get home to your families at the end of the day.

Remember: Drive to the conditions, allow greater following distances on frosty & wet days & check out driving conditions before you leave.

Winton Vickery Day Centre (for our senior citizens)

At Winton Vickery Day Centre, for our senior citizens, our numbers have increased and we are looking for volunteers to help out. The Day Centre runs on a Monday and Tuesday from 10.00 until 3.00 but the hours volunteering would be flexible. Jobs involved would be helping with morning and afternoon teas, helping serve the midday meal, helping with dishes and sometimes helping with activities. If you enjoy the company of elderly people and have a few hours to spare we would love to hear from you. Please phone 2360034 on a Monday or Tuesday and ask for Glenda.

Crafty Angels Craft Group

We want to provide help, advice and support to anyone who would like to learn a new craft or expand on an existing one.

If you are interested in developing a new craft but are not sure where to start, come along and join us and we will help you to get underway or alternatively just join us for some 'me' time to work on a current project! No experience needed, just turn up with your project and we will help you to get started! We have spare fabric, patterns, books, knitting needles and wool. Ironing boards, irons and sewing machines will be available to use on the day.

\$2.00 per session. Presbyterian Church Foyer. 2nd & 4th Wednesdays, 9.30am to noon.

(Next one 24th July due to school holidays) Look forward to seeing there!

Hello Everyone

The weather this month is a timely reminder of a couple of important messages from the Winton Volunteer Fire Brigade. Please drive to the conditions. After a series of frosts the road surface and below the surface may be still frozen, this causing any rain that falls to freeze on top and causing Black Ice. So, remember just because there is not a frost, that the road may still be slippery.

And the colder nights with fires and electrical heaters turned up is a timely reminder to check smoke alarms and batteries. You may have done this at daylight saving but it may have been something you have not got around to just yet. Please check them to give yourself reassurance they will work when needed. For those elderly out there, that would like them checked please feel free to contact Ernie Pringle on 021 306 034 and he will help you out.

Weka Kapa Haka

The Weka children are gearing up for our yearly performance in Invercargill in support of the Polyfest celebration. Educating the Weka children about our cultural heritage and the different ways to recognise the diversity around us is important within Weka's approach. We believe in working closely with the community and love that the Presbyterian church open their doors to us weekly to cater for our weekly Friday practices. This allows the children to experience standing on a stage and also performing to some of the local residents who also thrive on watching the children in action.

Our performance is supported by the Limehills Primary School's Student Volunteer Army who play a vital role in bringing our performance together. Weekly, five year 8's attend Weka to role model actions and support the waiata performance while also forming connection partnerships.

A Stroll Down Memory Lane

"DONCLE"

I was 14 years old and while staying with family friends during school holidays, Ngaire and Allan desperately wanted a night out and they asked me to babysit a 3 week old baby named Malcolm. Mum of baby assured he would sleep well past 11pm, the time they promised me they would return. Just incase baby woke up I was shown how to heat a milk bottle and test for heat on my wrist. Baby Malcolm Stewart slept right through, phew! That was 69 years ago!

Dee Jazz is Winton's local Singer/Songwriter. She has recently released her Debut Jazz EP "Moments of Love" on her website www.deejazz.com. As well as Jazz you will find a pop cross genre EP as well.

Dee is also the owner of Wattes Music Studio in Winton.
