

WINTON

Edition Ten: September 2018

A short message from the Winton Police.

Now the mornings are getting lighter and the weather is improving, we are getting reports of kids riding scooters on the footpaths in the main shopping centre. Could you please have a chat to your children and make them aware that people coming out of shops do not hear them coming & often don't see them. It could easily turn into a nasty injury if an elderly person had a fall. Would be a good time to remind them of road safety too. It is great to see them wearing their fluoro vests on their way to & from school.

Also please remember to lock your cars and farm vehicles when not in use. Remove keys from motorbikes and try to store out of sight along with other valuable assets. There are some great products available in the form of motion cameras, drive way alarms and alarms for fuel & milk tanks. Sensor lights around your property are also a great deterrent for potential burglars.

If you would like to chat about farm or home security come see us at the Winton Station.

Winton Businesses Win National Awards!

The Winton Night and Day team has had a very successful year at their annual conference and received a long list of awards. The main award was a trophy for franchisee of the year. This award is made up from all the components from customer service, food safety, audit results and so forth.

They also received awards for excellence in customer service, excellence in food safety and excellence in compliance out of 57 Night n Day stores throughout NZ. Plus a few other special awards. What a massive achievement!

Also in the winners circle is Country Jewel! They recently won the prestigious Nationwide Jeweller's "Member of the Year New Zealand 2018" award.

Both businesses would like to thank their loyal customers and staff that have helped these awards come all the way down here to Winton.

Vacancy - Caretaker Position

After many years of commitment to the Limehills Community Swimming Pool, our current caretaker is retiring from the position and we're looking for expressions of interest.

This role is ideally suited to someone who can commit approximately 30 minutes a day during the season, however a roster arrangement may be an option for a group of volunteers.

Please contact our President, Kyle Thorburn on 027 4187774 to discuss further.

Next full edition of the Winton Newsletter will be 1st October 2018.

Closing deadline for articles is 5pm 25th September 2018.

Information can be emailed to winton.nz@outlook.com

Boomerang Bags comes to Winton

Boomerang Bags is a grassroots, community driven movement tackling plastic pollution at its source. Volunteers from all walks of life get together to make re-useable 'boomerang bags' using recycled materials, as a means to provide a sustainable alternative to plastic bags. The bags are given away to friends, family, colleagues, bagless strangers and so on, as a plastic bag alternative that can be used and reused, or passed on to others in need. More can be read about the Boomerang bag movement at <https://boomerangbags.org/>

Winton has joined the movement and we hold regular working bees where bags are cut, assembled and sewn from donated fabric by community volunteers. We also have several community groups and individuals who make some at home.

We will be having our first working bee on Saturday 8th September at the Presbyterian Church hall in Winton from 10am to 3pm. We will have a variety of jobs that people are able to help with like sewing, cutting, sorting, ironing etc. You do not have to stay all day. If you only have a small time available on that day you can still help

If you have a sewing machine or overlocker that you are able to bring on the day that would be greatly appreciated. The more we have the easier the task. We will provide you will tea/coffee and some food to keep you going. Donations of fabric is appreciated.

SEPTEMBER

COMBINED YOUTH NIGHT - 7PM

This evening is tailored specifically for all young people and will touch on areas around Self-Esteem and Self-Worth. Parents and those that work with youth are also welcome. The evening will include a light supper.

MENTAL HEALTH Q & A - 10AM

Mental health affects people in different ways and from all walks of life. It can be a difficult topic to talk about, but we want to help remove the stigma attached to Mental Health and Wellness. We invite you to join us for an interactive discussion around how to get help, be a support to someone and gain a better understanding of what people may face. This will be an informal gathering over tea and coffee for anyone who wants to learn more.

29
SEPTEMBER

SONGS & STORIES CONCERT - 7PM

Come along and be inspired by Julia's message of hope as she shares her story and music with a light and humorous touch. This event is open to everyone and will be a fun evening out for the whole family.

Julia has won a NZ Music award for Best Gospel/Christian Album and has 4 #1 hits.
