## One Year Anniversary

### Thank You !!!! We celebrate one year !!!

One year ago the first Winton Community Newsletter went to print. From a small one page document to now currently 8 pages! After the closure of our local newspaper several years ago I have always felt there has been a gap in our community of a publication that focused on Winton.

After working on the re-vamped Winton website last year I noticed it had the capacity to send out a newsletter. So from there the idea was born to trial a newsletter... but here we are a year later and it is growing each edition. Every month

members of our community submit their news and events and I collate them into the format you are reading today. I volunteer my time to bring this to you and it is something I enjoy doing.

Thank you to everyone that has supported this. Keep sending your items in! These can be emailed to [winton.nz@outlook.com](mailto:winton.nz@outlook.com), submitted via the website [www.winton.co.nz/submit](http://www.winton.co.nz/submit) or drop a copy into the Presbyterian Church Office in Winton. Please also send in any suggestions, this is your community newsletter so any ideas are welcomed!

*Happy reading!*  
**Junell Reece**

### Donations of books required

The Winton Lions are in charge of the book sale on Winton open day this month. We are looking for books to put in the sale. If you have any that you would like to donate please contact Jeff on 0274183236 or Jean on 02108193466. Pick up can be arranged.

### Winton Business Association News

At the last AGM Chris Menzies from AWS Legal was voted in as President – taking over from Maria Scammell who had been president for a number of years. A big thank you to Maria for all she has and will continue to do for the association as a committee member. Hayden Shaw from Malloch McLean Accountants continued as Treasurer as did Jo-anne Heatherington from Farmlands as Secretary.

The in the Pink Luncheon was recently held at the Top Pub with a \$5000.00 donation going to Breast Cancer. A huge success again, only made possible by the generous donations and services made by the community.

The Business Association has for many years ran the Winton Open Day which is due to be held this year on Sunday 18<sup>th</sup> November. It is always a great family day out with the street parade starting at 2pm.

The association welcomes any new business members and you can contact the Secretary Jo-anne on 027 6767691 for more information.

### A Special Thank You

The Otautau Patchwork Group would like to thank the public for their support during their Labour Weekend exhibition, it was much appreciated. The raffle results are as follows: 1st prize of a quilt - Jo Wilson, Gore, 2nd prize of a cheese board along with a gourmet selection of cheeses etc - Sue Elliott, 3rd prize of a gourmet hamper - Marilyn Gollop, 4th prize of a gourmet hamper - Lesley de Ruyter, Winner of Viewer's Choice was no. 99, Oh My Stars by Joyce Wilson

Next full edition of the Winton Newsletter will be 1st December 2018.

**Number 8 Gallery Centre Bush**  
**Artwork and furniture**

After many years promoting her own artwork nationwide and Internationally Jasmine returned to Southland two years ago and brought with her some very prized pieces for Southland to enjoy. When purchasing one of Jasmines copper or enameled pieces you are buying an investment, her work is winning awards at exhibitions and Jasmine is guest artist at the Waikaka Arts exhibition for 2018.

Having now teamed up with very talented local lady Annemarie McHugh, Number 8 Gallery offers one off artworks and furniture for you to have a little something that no one else will have in their home! Annemarie uses only top quality fabrics from designer pallets on her upcycled chairs or how about one of her fabulously unique knitted chairs? These knitted chairs are one off and are out of this world in comfort and warmth. You will love to snuggle in one. Come and arrange a commission piece or choose from what we have in store.

**Splashbacks:** What a cool way to add function into your art! Jasmine also specializes in hand designed splash backs. All are code compliant to fit into your new build or renovation. No size is too big or small here folks as all glass is professionally measured for your builder to fit or we can arrange for it to be fitted for you.

### Volunteer Sewers Needed

The Boomerang bags are out and about in our community being put to great use as an alternative to plastic bags. The demand is so high that we are unable to keep up with our sewing of them. If you have a few spare hours at home and access to a sewing machine we would love some extra helping hands. All fabric and thread will be supplied. Bags can come pre-cut or you can cut your own from the patterns available.

If you are able to help then please contact Junell on 236-9792

### Vegan & allergy friendly food available in Winton

The team at the Magnolia Tree Café in Winton have been working hard behind the scenes to bring you some amazing food to cater for those who are vegan or have food allergies like gluten free, dairy free etc.

The latest items added to their menu are frittata's, moussaka, Indian rice cakes, pulled pork wraps, coconut lime slice, salted caramel cheesecake, kombucha drinks plus much more.

Stop in and see the friendly team and check out the range available. 7am to 5pm, Open 7 days

### Update from the Winton Community Gardens

The Winton Community Gardens (WCG) have begun our third growing season after a rather challenging winter, which provided us with drainage problems at the Ravensdown Site. Fortunately, Doug Harrington and Stephen Coveney came to our rescue by ripping the entire 2,000 square meter garden. This measure will hopefully have removed whatever it was that was restricting the surface water from draining away, although we won't know for certain until the next heavy rain.

In the meantime, Norm Cox has begun planting potatoes, carrots and lettuce at the Mitre10 Site for the Christmas hampers prepared by the Let's Link Food Bank. Traditional summer vegetables have also been planted by Peter Wilson at Ravensdown. This season we have taken a major step towards becoming self-sufficient by growing from seed for the first time. Mary Galt has started the process, raising seedlings in her own tunnel house. Marius Adendorf, who will also be operating from his home, will coordinate with Mary the raising of his seedlings so that we will be able to stagger the plantings which will result in regular harvests approximately two weeks apart.

Bruce Fraser is in the process of finishing off the tunnel house and glass house at the Ravensdown Site, which will enable us to grow tomatoes, cucumbers, courgettes, capsicums, etc. The portable shed that was lent to the community gardens by the Winton Community Board has been put to good use by the WCG committee members when they gather for their monthly meeting. It is far better to actually meet at the garden and see, first hand, what has been done and what needs to be done.

The gardens have undergone considerable change since this time in 2016 when ten determined locals decided that it was time Winton had a community garden. We are always amazed at how quickly it all happened, and overwhelmed by the generous support of the Winton people and, in particular, the local businesses, who have made it all possible.
