Southland's Story

It's time to write Southland's story, the story of our past, present and desired future. We are a big and diverse place, with plenty of pride, and we need to distil what makes our region unique. This will help us share our love of Southland as a great place to live, visit, invest, work and study.

We'd like your help to do this. So whether you're from Waikiwi, Waikawa, Waianiwa or Waikaia we want you to share your thoughts. You're invited to a community workshop to discuss what it means to be a Southlander and help create a unified story we can all be proud to share with the rest of the world. A full overview of the process, including the opportunity to participate in a combined follow up session in the New Year will be provided at the meeting.

It is essential that locals contribute to, embrace and share this story, and therefore a number of community consultation two-hour workshops have been scheduled in Te Anau, Riverton, Winton, Invercargill and Gore over the coming month to help establish the story

Winton's workshop is being held on Wednesday 12th December at the Salvation Army complex from 10am to noon. To register or for more information visit www.southlandstory.nz

Winton Open Day 2018

Even though the weather did not play its part for Winton Open day that did not dampen the spirits of the many who ventured out to enjoy the festivities. With the main street lined with activities and information stalls to tempt both young and old to see what was happening. The car and tractor displays had many interested while the businesses had loads of specials and giveaways which bought keen shoppers indoors to purchase that special gift. The memorial hall was lined with stallholders with tasty treats and handmade delights. Santa made an appearance and put a smile on the faces of both young and old. The Teddy Bears picnic was moved to the Presbyterian Church where loads of children had an indoor picnic with their furry friends. The Presbyterian Church Youth group had a fundraising café filled with the most delicious cream cakes and baking the way only Grandma's can make them. The day finished off with a grand parade of floats along the main street. Thank you to everyone that was involved in some way.

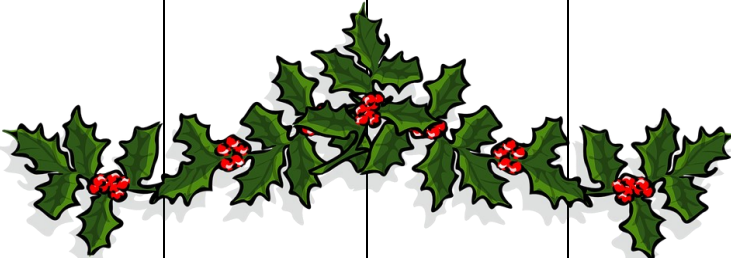

Check out the rest of the day's photos on the Winton website gallery.
