

## Special Edition : Christmas Hours

[www.winton.co.nz](http://www.winton.co.nz)

It's that time of year again and we'd like to remind Winton locals to stay safe over the holidays. With the long days, warm weather and people leaving town, burglaries peak around January.

If you're lucky enough to be heading away for some sunshine, please secure your home. Burglars look for the easiest way in. It's important to close and lock windows and doors to deter burglars looking for easy access. Make sure you don't leave anything out that the burglar can climb on to access a window. Also, consider shifting valuable items away from windows where they can be easily seen by passers-by. Keep in contact with your neighbours, and let each other know if you notice anything unusual.

The key message is to call Police straight away on 111 if you see or suspect anything suspicious at your home or a neighbour's.

At this time of year there are also a lot of events on to celebrate the holiday season. Excessive drinking can affect your decision-making, increasing your risk of becoming an offender, a victim, or ending up in hospital – and no one wants to see this. We encourage everyone to have a great time over the holiday period but to do it responsibly and know when enough is enough. Make sure you also look out for your friends and family so everyone gets home safe.

***Have a Merry Christmas and a Happy & Safe New Year from Winton Police***
