## A quick word from our local Police

The Winton Police Station will be receiving an upgrade to our front counter foyer area starting on the 4th March. During this time the front door will not be accessible to the public for safety purposes. This will cause some disruption to our front counter service but we are still available so please use the phone out the front of the Station so we can assist. The work we expect to take approximately 2 weeks. We apologise for any inconvenience caused during this time. As usual Police are available 24/7 so if you see anything that appears to be a crime taking place or suspicious behaviour give us a call at the time on 111.

## Breastfeeding Peer Supporter Training

Looking for good listeners - or people who want to become one. WellSouth will be offering free Breastfeeding Peer Supporter training in Winton.

Some of the things the training covers

- why breastfeeding is important
- how breastfeeding works and the needs of mum and baby
- the value of whanau and the wider community and how they make breastfeeding happen
- developing communication skills with a focus on empowerment, empathy and caring.

We always say it takes a village to raise a child. We are all part of that village but Peer Supporters have a special place in the many different types of supports families need when they are parenting.

Contact Lisa on 027 322 0869 if you want to know more. This will take place for 5 Mondays starting from 11th March 10am till 2.30pm at the Winton Plunket Rooms

## Hedgehope School Needs Your Help

Hedgehope School have won Air New Zealand's Airpoints for Schools Programme. With your help we are flying the whole school (30 students, 3 teachers and 7 community supporters) to Auckland and The Treaty of Waitangi Grounds between 6th and 10th May 2019. We are fundraising like crazy to make our deadline of 7500 Airpoints and \$16,000 for a once in a life time opportunity to experience history, culture, city life and connect with whanau.

You can help by donating Airpoints via <https://www.airnewzealand.co.nz/airpoints-for-schools>

## Winton Rotary Club

Winton Rotary is a Service Club which helps our local community.

Over the past few months we have delivered Meals on Wheels in Winton on several occasions, collected for Pink Ribbon and Hospice, helped restore the Mason Bay homestead on Stewart Island, helped with kakapo work on Codfish Island and Anchor Island as well as relocating chicks locally.

We have donated to several individuals and various organisations - including providing wool for the wonderful Birthing Unit knitters, airfares for our Winton Fire Brigade Sky Tower Challenge, and provided dictionaries to all Year 4 children at our local schools.

But we're not all about hard work! We also have weekly meetings with wonderful speakers. We meet each Monday night from 6 – 8pm upstairs at the Middle Pub in Winton, and we would welcome new members.

Next full edition of the Winton Newsletter will be 1st April 2019.

Closing deadline for articles is **5pm 25th March 2019**.

## Winton Volunteer Fire Brigade Update

The Winton Volunteer Fire Brigade has had a busy February hosting the Southland and Otago Southern Combat Challenge and the South Island Golf Champs all within a week of one another.

The first event was the “Otago Southland Fire Brigades Association” Southern Combat challenge where 58 competitors, both Female and male competed in a competition they call the toughest two minutes in sport and tests all competitors both physically and mentally.

Of the 58 competitors nine of them were from the Winton Fire Brigade. The runs consisted of individual, tandem, and relay runs. Four out of the top 10 in the Open Challenge were members of the Winton brigade.

Cromwell were the main winners on the day winning four of the five events.

### RESULTS

*Female Open: Jenna Jones (Cromwell) - 2 minutes and 45.65 seconds.*

*Male Open: Sam Earl (Cromwell) - 1 minute and 38.33 seconds*

*Team Event: - Cromwell A - 1 minute and 22.42 seconds*

*40 +: Kris King - Cromwell*

*50 +: Travis Naylor – Mossburn*

Cromwell are hosting the South Island competition on March 16 and Winton has five attending this competition, Guy Johnstone, Austin Leith, Stu Hill, Samantha Lindley and Ben Coley.

Below are some of the Winton competitors in action.

Then last week Winton hosted the South Island Golf Competition where golfers from other brigades from around the South Island came down to have bragging rights of the best golfers. There was a practice day first and then two competition days.

Again, Winton had four members competing in that tournament and the rest of the brigade rallied together to help host the event. Full results sorry were unavailable at the time of print, but well done to Browns who won the team event.

The same four members that competed in the tournament last week from the Winton Brigade are heading away early April to compete in the New Zealand National Fire Brigade Golf Tournament, so we wish them all the best.

And then .....

These three (Guy Johnstone, Chloe Milne and Steve Turton) are also away in May to compete in the Sky Tower Challenge so you will see them involved in a few training activities and fund-raising activities so if you see them out and about please support them.

There are community services on offer in our community if anyone needs assistance please feel free to contact us via our Facebook page or Email: [csbcccommittee@gmail.com](mailto:csbcccommittee@gmail.com)
