**Fire Awareness intervention programme**

Firstly This is FREE & CONFIDENTIAL- It's a consequence & education base programme that is delivered in the home, by trained Fire & Emergency practitioners. It's designed to help overcome unhealthy fire interests & antisocial fire setting behaviours. It has an excellent success rate, as a result 96% of children & young people stop playing with fire...All this results in less fires which means less injuries, loss of life & property, and it all starts with a referral from YOU!

As your Oreti Ward Councillor I am dedicated and passionate for a future Southland. I am a current member of the Winton Community Board and I stand by Southland's core values. Let's hold onto these while we build strong economic and social communities.

I have 3 children and I want to ensure there is a future Southland for them to inherit. I own and have operated a successful business in Winton for the past 9 years. I offer diversity and independent thinking and I am approachable. This will enable me to ask your questions and fight for the answers. I want to be part of the long term planning for our future success. With your support I look forward to the challenges ahead.

You can find me on facebook at "Natasha Mangels for councillor"
